

**EXERCISE****PREPARING A CORPORATE DEPOSITION WITNESS*****Background***

You're working on a litigation team representing a large corporation, and you're going to help prepare your corporate witness for a deposition. The team has already selected the witness.

The witness will have to be able to testify knowledgeably about each of the noticed deposition topics. You've been put in charge of coordinating the gathering of information that the corporate witness will need in order to prepare.

***Instructions***

Come prepared to discuss:

- What steps you'll take to obtain the information for the corporate witness.
- What you'll do for information that you can't find.
